

# Prayer for the Courts of Heaven Concerning The Mid-Term Elections

Crafted By Robert Henderson

Please pray this prayer being sensitive to the Holy Spirit, pausing where you need to to add your own words from the Holy Spirit's unction. Also, I would suggest that it be prayed every day until the mid-term elections. Remember, we have a right to petition from His Courts and see nations change!

Lord, we humbly come before Your Courts of Heaven and petition you on behalf of the United States of America. As we approach the mid-term elections in our nation we are in jeopardy of Your purposes being thwarted. We ask before You that you would have mercy on our nation. We ask that there would be a sweeping election of conservatives that would stand for Your agenda within our nation. We ask that from district to district, region to region and State to State those who carry Your heart, morality, ethics and desire shall be elected. We ask that President Donald J. Trump would have the men and women in Congress that is necessary to fulfill Your purpose in him and through him. We ask Lord that Your Name would be glorified again within the United States of America and the conservative values cherished by You would be upheld and re-established in our nation.

Lord, we as the church take responsibility for the loss of seats in our Congress, both the House of Representatives and the Senate, to demonic agendas. We realize that we have granted the devil the legal right to possess these seats in the spirit world. He has set within these seats those who will do his will. Lord, we repent for any and all our sins of commission and omission that have allowed this. Lord we repent for not praying for those who are in authority. (1 Timothy 2:1-2) We have been disobedient and have not taken our place in the spirit world seriously. Forgive us for this negligent activity. May we take our place in the realm of the spirit in prayer and no longer abdicate it. May we be empowered by You to pray effectively for these seats and those who are to be in them.

Lord we repent for not being active in the political process and abdicating our rights to vote responsibly. We ask for you to forgive us and even those before us. We are guilty of negligence in this area. We allowed the devil to possess these seats. We are sorry. We ask for the blood of Jesus to speak for us and these seats to be let go and returned to Your purposes and for Your will in the earth. Lord we ask that those who represent Your heart would sit again in these seats of government!

Lord, we have made money and greed our motivation and have allowed the devil to possess these seats. We have been a people of entitlement and have voted for those who promised us the most regardless of their worldview and policies. We repent and ask for You to forgive us. May the blood of Jesus speak in our behalf. May we have a heart for the good of the whole

ahead of the good of the ones. We repent for being selfish and self centered and allowing it to produce our worldview. Lord we ask that you would deliver our culture from the socialist mentality that is driving it today. We ask that the heart of the culture would shift. Lord let the powers of darkness that are fashioning the minds of this people be broken, even as we repent in behalf of ourselves and this culture. Lord, ask that the covering over the people's minds to be destroyed according to Isaiah 25:7.

*And He will destroy on this mountain*

*The surface of the covering cast over all people, And the veil that is spread over all nations.*

Let every veil and covering warping the minds of people now be destroyed in Jesus' Name!

Lord we also repent for abortion and the blood of the innocent empowering altars in the spirit realm that empowers principalities over our culture. We ask Lord that Your blood would speak instead. Let the altars and their voices in the spirit realm be silenced by Your blood and it's voice. (Hebrews 12:24) Lord, allow every mindset created by these voices against you within our culture begin to fall. The powers of darkness that have created these mindsets in culture, let them lose their power and rights. As we repent Lord, have mercy on us and revoke the rights of these demonic entities that have shaped the thinking of culture. Let our nation's minds be freed!

We ask Lord according to Daniel 7:25-26 that every intent of the anti-christ spirit to change times and laws now be frustrated. Even as was promised let the Court of Heaven be seated and let this demonic powers rights be taken away and destroyed. Lord we ask that the United States of America be freed from this influence and its destiny be restored. We ask this Lord for the sake of Your purposes in America and the nations of the world. Let God arise and His enemies be scattered. (Psalms 68:1-2)

Now Lord cause a stirring in the heart of those who agree with Your heart. Let them arise and vote in these mid-term election on November 6th, 2018. We ask that all passivity would be broken and removed. We ask that hearts are freed and moved to take a stand for You and Your purposes in America. Provoke the heart of all including the complacent and let them arise and vote in Jesus Name!

We ask Lord that there would be a decision rendered from Your Court that would dissolve the rights of the adversary and cause his influence over the minds of the culture of the United States to now be suspended and even destroyed. Allow the mid-term elections to seat true conservatives and reclaim the destiny of America as it is written in the books of heaven. Arise O' God and have mercy on us we pray from Your Courts! In Jesus Name, Amen!
