We all know we are in a BATTLE - here is some STRATEGY to be on the FRONT LINES OFFENSIVE, for our leaders and nation.

In case you have not seen this - it's the eventbrite invitation for witches to gather and pray hexes this evening at Saturday 7:00pm to 10pm .

Below the eventbrite information are some specific points to pray for our Leaders/Country .

It's a good idea to take communion with the Lord before starting the prayers.

PRAYER STRATEGY
